Published on Dec 20, 2014

On November 26, 2014, our RCH/ERH physicians presented a cheque for \$5,500 to the Eagle Ridge Hospital Foundation which Charlene and Karen graciously accepted.

The [Eagle Ridge Hospital Foundation](#) works hard to raise money for much needed equipment for the hospital. Recently they wrote a cheque to Eagle Ridge Hospital for \$676,000!

Their website has much more information on the amazing work they do, how they do it, and some of their upcoming events.
